Serving Northeastern Ohio and  
Northwestern Pennsylvania

Our show season runs throughout the entire year. We have several shows each month: All Breed Open Pleasure shows, NBHA Contest shows, All Breed Open Fun Shows, Dressage Shows, and Gaited Horse Shows.

With the support of our sponsorship program, we are able to award year end high point awards and added money to our timed event shows.

Spinning Wheel Farm, Inc. is a local supplier of bagged kiln dried pine wood shavings for bedding. We normally have a year round supply and often have discount prices with quantity purchases.

Our training program is offered on a monthly basis. We assist in saddle training, driving, and specialize in the training of gaited horses, particularly Tennessee Walking Horses. We also offer a Tune Up Program. Our clients bring their horses in for a month or more, and we will work your horse several times during the week to get it back in shape for you to ride.

Riding lessons are conducted on a daily basis. We offer private, semi-private and group lessons. We offer English, Western, trail, jumping, contesting, pleasure and obstacle driving.

Spinning Wheel Farm, Inc. also conducts day camp every year. Our students range from children to adults. We offer an intense week of horses and it involves safety, groundwork, grooming, stable management, ring and horse show etiquette, jumping, driving, and trail riding. It is difficult to convince the students to leave at the end of the week.

Our driving lessons are conducted once a week during the fall and winter months. We teach basic driving, harnessing, obstacle and pleasure driving. Carts and buggies are used to enable proper education and handling of all types of horse drawn vehicles

For those who wish to enjoy a much slower pace, we teach trail riding. Our horses are traffic and trail safe and the trails are plentiful. We offer several weekends away of primitive camping also. Nothing is more rewarding than camping in the Allegheny National forest or one of the many state parks with you and your horse.
